

The Puffins Club

Dacorum Sports Club for Adults with Learning Disabilities

Health and Safety Policy

Last updated	11 th April 2025
--------------	-----------------------------

Introduction

The Puffins Club Committee has overall responsibility for health and safety in the organisation, and for ensuring that it fulfils all its legal responsibilities. It recognises that it is the duty of Committee members and volunteers to uphold this policy and to provide the necessary funds and resources to put it into practice.

The Puffins Club Committee is committed to ensuring that all its activities are safe and it will do whatever it can to provide for the health, safety and welfare of all volunteers, members and visitors ensuring that risks to volunteers, members and visitors are minimised at all times.

It will observe the Health and Safety at Work Act 1974 (“HASAWA”) and all relevant regulations and codes of practice made under it.

This policy will be reviewed annually by the committee.

1. The Puffins Club Responsibilities

The Committee member responsible for the implementation and monitoring of health and safety policies and recommending changes where necessary is **Carolyn Doe**.

All accidents or unsafe incidents will be investigated by **Gill McKinnon** on behalf of the Committee as soon as possible and then to be reported to the committee at the next available committee meeting.

The Puffins Club through its trustees and committee is responsible for:-

- Assessing the risk to the health and safety of volunteers, members and visitors and identifying what measures are needed to comply with its health and safety obligations;
- Ensuring that venues or vehicles used for trips are safe and without risk to health including safe ways of entering and leaving.
- Ensuring that equipment is safe and well maintained.
- Providing information, instruction, training and supervision to volunteers in safe working methods and procedures as required.
- Encouraging volunteers and members to co-operate in ensuring safe and healthy conditions and systems by effective joint consultation.
- Establishing emergency procedures as required.

2. Volunteer Responsibilities

All **The Puffins Club** Volunteers will ensure that:

- They are aware of the contents of this safety policy
- They comply with this policy
- They take care of themselves and others who may be affected by their actions or omissions
- They will report all accidents, or unsafe situations, and any near misses (things which could have led to an accident), to a trustee or another Committee member at once.
- They record accidents or near misses at work in the accident book kept in **The Puffins Club** store cupboard.
- They are aware of all fire procedures for the area in which they are working
- If they identify anything which they think could be in any way unsafe, they will report it.

3. Risk Assessments

The responsible committee member **Carolyn Doe** will ensure that all premises and tasks are assessed in line with the current relevant legislation. Assessments will be repeated when there is a: -

- trip or event to organise
- change in legislation
- change of premises
- significant change in work carried out
- transfer to new technology

or any other reason which makes original assessment not valid.

4. Training

To comply with legislation and to promote the health, safety and welfare of volunteers, health and safety training will be provided as follows:

- At inductions.
- On the introduction of new technology.
- When changes are made to venues.
- When training needs are identified during risk assessments.

5. Resolving health and safety problems

Any volunteer with a health and safety concern must first tell the responsible Committee member.

If, after investigation, the problem is not corrected in a reasonable time, or the responsible committee member decides that no action is required but the volunteer is not satisfied with this, the volunteer may then refer the matter to the chairperson. This must be in writing.

If the volunteer is still dissatisfied, the matter will be entered on the agenda for the next meeting of the Committee.
